- A. 2nd Session of the IHO Assembly – Final Summary Records
- B. Rules of Procedure of the IHO Assembly
- C. IHO CL 32/2022 dated 5 August 2022

Dear Hydrographer,

Assembly Announcement

1. As elaborated in detail in IHO Circular Letter 32/2022 (Reference C refers) it was necessary to change the venue and dates of the 3rd Session of the IHO Assembly that will now be held in Monaco from Tuesday 2 May to Friday 5 May 2023 at the Grimaldi Forum of Monaco.
2. Consequently, the Finance Committee and the Heads of Delegation meetings will both now take place on Monday afternoon, 1 May 2023 at the Grimaldi Forum.
3. The Assembly is the principal decision-making organ of the IHO (Article V of the Convention on the IHO), and it is essential that all IHO Member States are represented not only to review the past activities of the Organization, but also to adopt an effective and realistic IHO Work Programme and Budget for the next three years.
4. The Provisional Assembly Programme is provided in Annex A to this Assembly Circular Letter.

Assembly Format and Programme

5. The Assembly will be held in the Grimaldi Forum of Monaco. Registration will open on Monday 1 May 2023 in the Grimaldi Forum. Other meetings and events which will be held during the Assembly period are as follows:
 - a. The Finance Committee will meet on Monday 1 May 2023 from 1400 to 1700 in the Grimaldi Forum to review and discuss the finance and budget proposals. A maximum of two representatives from each Member State may attend the meeting.
 - b. A meeting and briefing intended to be exclusively for the Heads of Delegation of Member States will be held on Monday 1 May 2023 from 18:00 to 19:00 at the Grimaldi Forum.
 - c. The Opening Ceremony will take place on Tuesday morning, 2 May 2023. New Member States who have joined the Organization since the Second Session of the IHO Assembly will be invited to present their flag on this occasion.
 - d. Industry Stakeholders and Member States will be invited to mount exhibitions of their work and their hydrographic/nautical cartographic activities in two separate areas within the Grimaldi Forum. Both exhibitions will open on Tuesday, 2 May 2023 following the Opening Ceremony and will remain open until Friday 5 May 2023, closing at 12:00.

- e. The Election for the positions of IHO Secretary-General and Director will be held on Friday morning, 5 May 2023.

6. Other meetings involving Member States can be organized during the Assembly period if required. Chairs of the relevant bodies wishing to convene such meetings are invited to inform the IHO Secretariat, by 31 December 2022, of their needs in terms of preferred dates and expected number of participants. This will enable the IHO Secretariat to make the necessary arrangements.

7. The Assembly will meet in plenary session to examine the reports of the Council Chair and Secretary-General corresponding to the Work Programmes of the IHO, together with any proposals submitted for the consideration of the Assembly, including the report of the first 3 year cycle the IHO Strategic Plan and the 2024-2026 IHO Work Programme and Budget. Any Proposals should refer to one of the three IHO Programmes. Topical issues related to the Programmes may also be considered, as appropriate.

8. Reports will be prepared by the IHO Secretariat, based on information available to the IHO Secretariat and input from the Chair of the IHO Council (supported by the IHO Committees – Hydrographic Services and Standards Committee (HSSC), Inter-Regional Coordination Committee (IRCC) and Finance Committee (FC).

Submission of Proposals to the Assembly

9. In order to follow the timetable, as stipulated in Rule 9 of the Rules of Procedure for IHO Assembly, any proposal or related submission for consideration should be submitted by Member States, Council and Secretary-General not later than 20 December 2022.

10. All submissions related to the Assembly will be collated and translated by the IHO Secretariat and will be made available to Member States in both English and French.

Planned Assembly Circular Letters

11. Annex B contains a list of the Assembly Circular Letters that are planned to be issued together with target dates for action. Member States are requested to observe the deadlines for replies so that Assembly preparations can proceed as smoothly as possible.

Member States' Delegations and Registration

12. It is very important for the IHO Secretariat to know as early as possible the number and names of representatives who will attend the Assembly in order to facilitate logistics and the configuration of the Assembly venue. Assembly registration will be available online from 1 September 2022 to 20 March 2023 via the IHO website (www.iho.int) at:

(Home > About IHO > Assembly > 3rd Session (2023) > Registration for Assembly)

Member States are invited to register as early as possible.

13. Member States that are not able to register online should forward a list of their delegates, specifying the Head of the Delegation, to the IHO Secretariat (by e-mail: info@iho.int or by fax: +377 93 10 81 40) not later than 1 March 2023 using the Delegates' Registration Form provided in Annex C or the Excel-based form which will be available at the above web address.

14. Please note that passport and visa requirements are the responsibility of each delegate. The necessary formalities must be completed before travelling to Monaco. Any delegates who may require personalized invitations for visa application purposes should contact the IHO Secretariat. There are no border-crossing formalities between France and Monaco, but a Schengen visa or other valid entry qualifications shall be necessary to enter France.

Hotel Accommodation

15. All participants should reserve their own accommodation. A list of hotels in the area that have been used by delegates in the past is provided at the IHO website: https://iho.int/uploads/user/About%20IHO/Assembly/Assembly3/Monaco_Hotels.pdf and through the following web sites for hotel reservations: (http://www.monte-carlo.mc/index-hotels_monaco-fr.html) and (www.booking.com).

16. Hotel space will be at a premium as there are several other events taking place in Monaco at the same time as the Assembly. Bookings should therefore be made well in advance of the Assembly. Member States are strongly recommended to make hotel reservations as soon as possible. Any Member States requiring assistance with hotel reservations may contact Ms Lorène Chavagnas at: info@iho.int or by telephone +377 93 10 81 00.

Conclusion

17. The Assembly is the principal organ and most important decision-making body of the IHO, and it is essential that all IHO Member States are represented to consider the proposals and reports that will be submitted, to formulate and adopt appropriate Resolutions and to approve the 2024-2026 IHO Work Programme and Budget. We look forward to seeing you in Monaco for this major event in May 2023.

Yours sincerely,

Dr Mathias JONAS
Secretary-General
