Dear Hydrographer,

1. In accordance with References A and B and as announced in Reference C, Member States are invited to nominate candidates for election as the Chair of the 3rd Session of the IHO Assembly (A-3). Candidates should have a good knowledge, experience and familiarity with IHO activities and fluency in at least one of the working languages of the IHO Assembly.

2. Aiming to facilitate this procedure and following the process that has taken place at several IHO Conferences in the past and at the previous sessions of the IHO Assembly, the IHO Secretary-General and Directors have identified Mrs Pia Dahl HØJGAARD, Hydrographer of Denmark, as a suitable candidate who has already expressed her readiness to chair the Assembly.

Mrs Pia Dahl HØJGAARD has an active history of involvement in the IHO activities and is aware of many of the issues that will be discussed at the next Assembly. She has also attended the previous two sessions of the IHO Assembly, has demonstrated experience in chairing international events and has an excellent working knowledge of, and ability to speak in, one of the two official languages of the Organization.

3. Member States are kindly requested to inform the IHO Secretariat by 20 December 2022 of the names of any other suitable candidates that they may wish to propose as the Chair of the 3rd Session of the IHO Assembly. If this results in more than one nominee being presented, a list of candidates will be circulated to all Member States, so that the Chair of the Assembly may be selected by vote before the Assembly and in enough time for the Chair-elect to properly prepare for their important role. In accordance with Reference B, the election of the Chair of the Assembly shall be confirmed at the beginning of the 3rd Session of the IHO Assembly.

Yours sincerely,

Dr Mathias JONAS
Secretary-General
