DRAFT - SWPHC2018-02 - Palau Tech Assessment Visit 2019.docx

UNCLASSIFIED

Mr Thomas Dehling (Chair, IHO CBSC)
Capt. Alberto Neves (Secretary, IHO CBSC)

Gentlemen,

1. The South West Pacific Hydrographic Commission (SWPHC) has identified two Capacity Building (CB) projects for submission to the IHO Capacity Building Sub-Committee (CBSC) Meeting to be held in Goa, India on 30 May - 1 Jun 2018 - i.e. CBSC16 Meeting, i.e.:

- (i) **Technical Workshop on Disaster Response Planning and Data Discovery**
- (ii) **Technical Assessment & Advice – Palau**

2. Draft copies of the completed Procedure 1 templates for the above are forwarded. The SWPHC Chair (CDRE Fiona Freeman) is away from her desk in Wollongong this week – on duty elsewhere. On her return next week we will have these documents signed and forwarded to the CBSC. Also included will be the completed Procedure 4 templates (Evaluation) for the 2 projects.

3. It is coming up to a long weekend over here - Good Friday 30 March to Easter Monday 2 April! Therefore the final documents would be submitted during the latter part of next week. Any inconvenience caused due to this delay is regretted.

Kind Regards

Jasbir Randhawa
Deputy Director External Relations
Australian Hydrographic Office

Subject: Draft SWPHC CB Submissions

Hi Jasbir,

As discussed, please find attached DRAFT CB submission for:

- Technical Workshop on Disaster Response Planning and Data Discovery; and
- Technical Assessment Visit to Palau

These will need to be finalised and signed early next week once Fiona is back in the office.

Be grateful if you can acknowledge receipt, particularly as you have been having email issues.

Best regards

Stuart Caie
Senior Hydrographic Surveyor
