Dear Colleagues

Subject: Changes to the use of Depth Range Minimum and Maximum value for certain objects

USA-NOAA has delivered action point DQWG12/04 from DQWG12 meeting (June 2017). Please find enclosed two deliverables:

“Paper_for_S-100WG_DepthRangeMax.docx”

I would kindly ask the following actions from DQWG members:

- Review both papers ;

- Report to agree/not agree on delivery to S-100WG.

I would like to receive your input no later than **15 Dec 2017**. If no input is received, we assume you agree with the proposed papers and actions. The deliverables will then be forwarded to the S-100WG.

Thank you
