-

Dear colleagues,

Following up on the silence procedure of the Circular Letter Region F ICC WG Number 01 quoted in reference a, France would like to thank the member states<sup>1</sup> that have provided comments and suggestions. Please find in the annex I the status of the INT charts and ENC UB1 proposals submitted to the Region F ICC WG members, as well as a list of recommendations in annex II.

An updated version of the draft MEDINTCHART catalogue, taking into account the adopted proposals as well as the updates received, is provided in annex IV. Please do not hesitate to contact the Region F ICC WG coordinator at [regionFcoord@shom.fr](mailto:regionFcoord@shom.fr) should you have any further inquiries or updates.

All the relevant documents and correspondence will be made available on the password protected MBSHC web page of the IHO. Also, I would like to kindly remind you that the address of the IHO website is [www.iho-ohi.net](http://www.iho-ohi.net), your user name is **msonly** and the password is **saturn**.

Also, CY851 and GR3727 updates will be considered after the dead line suggested in the annex II. It is noted that Italy intends to liaise with Croatia with respect to ENC UB2 and the comments made by Turkey on the mid-scale charts (3720...3738) have been acknowledged.

Best regards,

L'ingénieur en chef des études et techniques de l'armement Yves Guillam  
Region F ICC WG coordinator
