

LIST OF ACTIONS FROM 27th NSHC – Hamburg, Germany - September 2006

Reference to agenda item	Responsible	Action
A4	All NSHC Member states	To report to the UK on the status of the NSHC conclusions which are currently defined as active. Recommendations should state whether the conclusion should be considered effected or obsolete. If a conclusion is considered to remain active, a proposal should be made on what action is required to make it effected. By 31 December 2006
A4	UK	To coordinate the responses to above action
A7	Norway	Following WEND meeting in September 2006, to consider putting a proposal to IHO on the subject of ENC coverage and mandatory ECDIS carriage requirements.
B1	All NSHC Member states	To respond to IHB letter on S55 Update entries in S55
B1	IHB (Mike Barritt)	To coordinate the responses to above action
B7	NSHC Chair	To ask IHB to investigate the use and implications of commonly available satellite imagery.
B9	UK, BE, NL, FR	To meet to discuss Dover Strait Survey Strategy
C3	UK	To provide a paper to the NSHC member states on the implications of INSPIRE for marine hydrography. Invite other member states to discuss paper.
C3	All NSHC Member states	To send comments on EU Maritime Green Paper to UK by 30 November 2006.
	UK	UK to coordinate the responses to above action and submit to EU on behalf on NSHC
C3	FR, UK, NO, IHB, DE, NL	To form a group to propose the terms of reference for a EU 'working group' by Wednesday am.
C3	CONCLUSION	To form a EU Marine & Maritime Policies WG
C3	DE	To establish a working group to determine a survey strategy for the North Sea area. This should aim to operate through correspondence.
D3	NO, IS, DK	To take on INT coverage from DE for NS area no longer in DE's area of interest. (and coordinate with INT coordinator).
E2	Tidal Working Group	To provide more information on why a NSHC Tidal Committee is needed in addition to the IHB Tidal Committee. To execute tasks as defined in work plan. Revise TOR to Working Group not Tidal Committee
E2	UK	To check receipt of updated copies of the Catalogue of INT Charts of Region D, and if required send further copies to members.
E3	Charting Group	Revise work plan to include amendments suggested by NSHC members
F3	FR	To coordinate joint celebration of World Hydrography Day.
	All NSHC Member states	A special conference is to be held at IHC Monaco on Saturday following conference. (9am)
