# Authorization, certification and registration

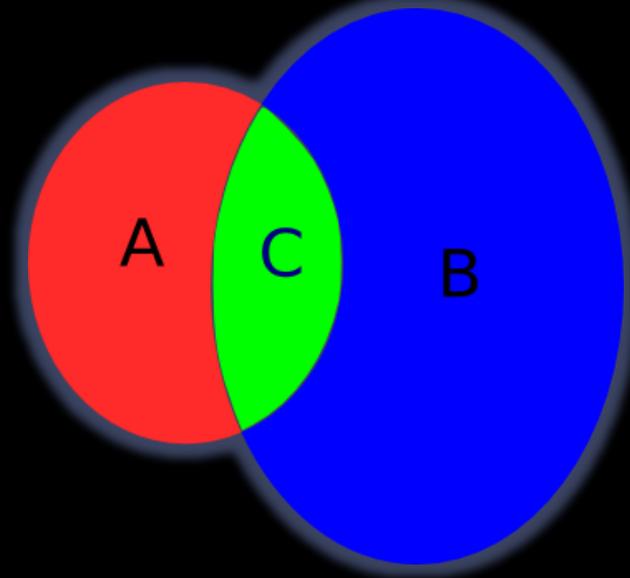

1. Authorization is carried out by IMO in consultation with IHO and WMO as appropriate.
2. An information provider must apply to the relevant international organization for approval to participate in the internationally coordinated service:
  1. Meteorological authorities – to WMO;
  2. Hydrographic authorities – to IHO;
  3. Search and rescue authorities – to IMO;
  4. The International Ice Patrol – to IMO;
  5. Others – to IMO.

## Considerations

1. The established and expected availability of other information sources for the area concerned; and
2. The need to minimize duplication of information as much as possible.

# Certification

1. The relevant international organization will inform IMO of endorsed applications
2. On receipt of IMO authorization, the International SafetyNET Coordinating Panel will issue a Certificate of Authorization to Participate in the International SafetyNET Service
