## International Chamber of Shipping

Shaping the Future of Shipping

Matthew Williams  
Senior Marine Adviser

## The questions:

- Should nautical publication information be provided in future S-100 based ECDIS?
- How this should be done?

- Importance of nautical publications
- *“Vectorisation”*
- Relevance, volume and timing

# The “I” in ECDIS

*Portrayal of nautical publication information*

# Electronic Bridge Folio

*Information management in an integrated environment*
