

Hydrographic Commission on Antarctica (HCA)

Last update: mars 10, 2014

The 3rd conference of the Hydrographic Commission on Antarctica (HCA3, Monaco, September 2003) , agreed that HCA Members would provide the IHB with a list of their publications on Antarctic waters, to be shown on the IHO website with a brief résumé of their contents. As a result, [information on nautical publications](#) from Argentina, Australia, Chile, France, South Africa and UK was maintained on the IHO website from 2004 to 2012.

In order to reduce the burden of maintaining the above list, the 12th HCA conference (HCA12, Montevideo, Uruguay, October 2012) agreed that this list would be replaced with a list of **links** to national catalogues of nautical publications, as follows:
