ASSEMBLY CIRCULAR LETTER N°14
10 February 2023

3rd SESSION OF THE IHO ASSEMBLY (A-3)

Monaco, NEW DATE: 2-5 May 2023

HYDROGRAPHIC INDUSTRY EXHIBITION

Reference: Assembly Circular Letter No.1, dated 28 April 2022 - *Announcement and General Arrangements*

Dear Hydrographer,

1. As indicated in the Reference, a Hydrographic Industry Exhibition will be held in conjunction with the 3rd session of the IHO Assembly (A-3). This Exhibition will consist of exhibits and demonstrations from a wide range of leading companies and organizations from around the world. Exhibition stands will be set up throughout the Grimaldi Forum, adjacent to those of the Member States Exhibition. The Exhibition will be open from 10:00 on Tuesday, 2 May and will close at 12:00 on Friday, 5 May 2023. A list of Exhibitors will be maintained on the IHO Website (<https://iho.int/en/industry-exhibition>).
2. An Exhibition Catalogue will be available on the IHO web site from mid-March and a printed copy will be provided as part of the arrival registration process at the Assembly.
3. All Delegates and Observers are encouraged to take advantage of the presence of these companies and organizations by visiting their stands to discuss relevant topics with the representatives. It is important to note that companies and organizations are exhibiting at their own expense and some recognition may ensure that they will exhibit at future sessions of the IHO Assembly and, in many cases, continue to support the IHO work programme and Regional Hydrographic Commission activities.
4. A welcome reception will be held in the Exhibition space on Tuesday, 2 May from 18:00 to 20:00 to which all Delegates and Observers, including accompanying persons, are cordially invited.
5. The Exhibitors will also be sponsoring all the coffee breaks during the Assembly.

Yours sincerely,

Dr Mathias JONAS
Secretary-General
