

**20<sup>th</sup> MEETING OF THE IHO CAPACITY BUILDING SUB-COMMITTEE**

Bali, Indonesia + VTC (Hybrid Meeting), 1-3 June 2022

**Paper for the Consideration by CBSC20****MBSHC Three-year Capacity Building Work Plan**

<b>Submitted by</b>	:	MBSHC CB Coordinator
<b>Executive Summary</b>	:	This document provides a summary report of the capacity building activities at the MBSHC, planned between 2022-2024.
<b>Related Documents</b>	:	None.
<b>Related Projects</b>	:	None.

**1. Introduction / Background**

A three-year plan for the Capacity Building activities at the MBSHC region has been composed and 2022 is ready to be implemented. The planned activities for 2022 are partially funded by CBSC. The submissions are sent for 2023 for the consideration of CBSC. The Capacity Building Plan for 2024 is currently under review.

**2. Three-year Capacity Building Work Plan**

2022	2023	2024
Online Workshop on LoTS Implementation	Workshop on MSI Development	Technical Visit to Lebanon
Workshop on MSDI Implementation	Workshop on ENC Quality Assessment	Technical Visit to Albania
Webinar on Optical Bathymetry	Workshop on Disaster Response	-
Workshop on Cartographic Data Management	-	-

**3. Conclusions**

MBSHC Capacity Building Activities have contributed to the effort of compensating for the gap between the Member States, in terms of both technology and experience. Yet, there still is a need for continued capacity building, and consequently for capacity building funds.

**4. Action Required of CBSC**

The CBSC is invited to take note of this report.
