▶ New Menu Added on IHO Webpage (Plan)

The screenshot shows the IHO website homepage. At the top, there is a teal header with the IHO logo and the text "IHO". Below the logo, the text "International Hydrographic Organization" is displayed. The main navigation menu includes: ABOUT IHO, INTER-REGIONAL COORDINATION, SERVICES & STANDARDS, PUBLICATIONS, **E-LEARNING** (highlighted with a red dashed box), EVENTS & NEWS, and DOCUMENT ARCHIVE. Social media icons for LinkedIn, Facebook, and Twitter are also present. The main content area features a large blue and white image of the ocean with the text "International Hydrographic Organization" and a paragraph describing the organization's mission. A "READ MORE" button is located below the paragraph. At the bottom, there are links for "Recent bulletins" and "News", and a search bar with the text "Looking for something specific?" and a search icon.

▶ Plans for 2022

1. Test run LMS with IHO MSs and update it.
2. Improve the webpage according to the final guidelines
3. Update the webpage and LMS (French & Spanish language, manual, etc.)
4. Build an open course using various video source materials
5. Promotion plans (Thumbnail Video, SNS, etc.)
6. Report to CBSC, IRCC, and C-6 and preparation of the A-3

Action required

- Take note of this report
- PTs participate in the test-run of the e-learning center and provide feedback
- Participation in the development of open courses
