

**PROPOSAL FOR CONTRIBUTIONS TO
CB ACTIVITIES BY PCN MARITIME**

Alberto P. Costa Neves, Director

PCN MARITIME

PCN is a consultancy company focused on intelligent solutions for the maritime industry since 2008:

- hydrography
- ship maneuver
- channel design
- dredging, etc.

ABOUT ALBERTO

Currently settled in Portugal, sometimes in Brazil

Previously:

- USM Hydrographic Science Program
Coordinator (2021 - 2023)
- IHO Assistant Director (2011 - 2020)
- Brazilian Navy (1981 - 2008)

REGARDING THIS SUB-COMMITTEE

- Visited 63 countries, some in Technical Visits
- Solid experience with communication:
 - > English, French, Italian, Portuguese, Spanish
 - > Galician, German
- Mentor for the EWH (Venezuela and Guatemala)

SUPPORT TO THIS SUB-COMMITTEE

- identifying opportunities to bring countries to speed in Hydrographic Services
- providing insights to CB coordinators
- as an instructor for the IHO and/or IMO
- taking part in TV visiting teams
- participate in the revision of publications like C-55), etc.

Notes: 1) in these cases, work free of charge for the IHO

2) online meetings available

THANK YOU
