

**INVITATION TO ATTEND THE 13th MEETING OF THE IHO
CROWDSOURCED BATHYMETRY WORKING GROUP (CSBWG13) MEETING
NOAA National Centres for Environmental Information (NCEI), 9th – 12th Jan
2023**

1 November 2023

Dear Members of the CSBWG,

1. Following the initial notice given in August 2022, all members and observers of the CSBWG are hereby invited to attend the 13th meeting of the CSBWG, which will be held at the NOAA National Centres for Environmental Information (NCEI), from 9 – 12 Jan 2023.
2. Whilst it is intended that this will be a face to face meeting, the final day will be given over to CSB Project presentations for which there will be the possibility for virtual participation. It is also the intention that there will be the option for virtual participation during the first three days of the meeting, however this will not represent full hybrid functionality and may be limited to live streaming only. Colleagues are strongly encouraged to attend in person if at all possible. Please be aware that the meeting schedule will be based on a full working day in the local time zone – Mountain Standard Time (UTC-7).
3. All attending the meeting must complete the online registration form no later than 16th December 2022. The form is available here <https://online.iho-khoa.kr/registration> .
4. The provisional CSBWG13 agenda and logistics information can be found on the CSBWG13 webpage <https://iho.int/en/csbwg13-january-2023> .

On behalf of the Chair, CSBWG,

Yours sincerely,

Sam Harper
Secretary CSBWG
