HCA Integrated Chart Coordination WG

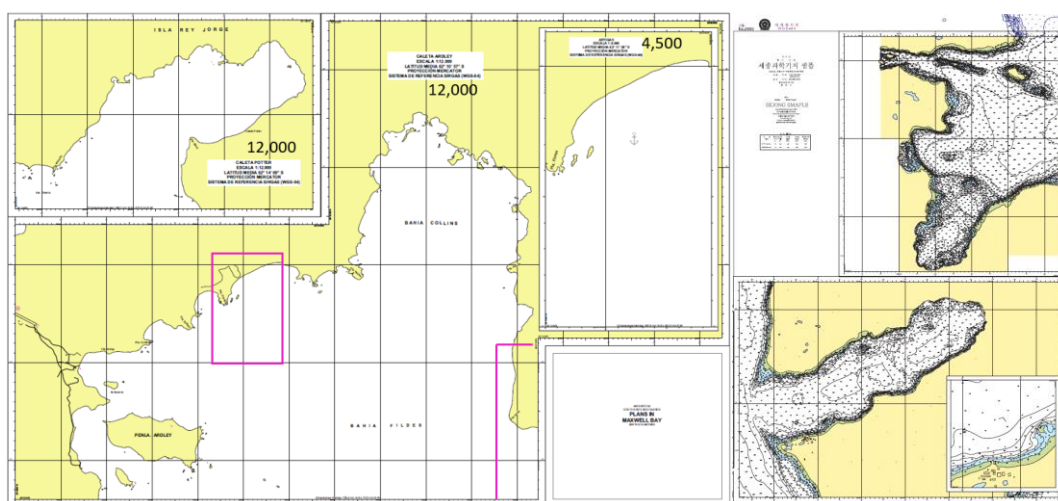

Letter No. 1/2025

To: Members of the Hydrographic Commission on Antarctica

Subject: IHO Hydrographic Commission on Antarctica, ICCWG 19/05 – Maxwell Bay

Dear Members,

1. **Background:** With reference to the new requirements discussed at HCA19 please find attached the final scheme design relating to Maxwell May, (action HCA19 ICCWG 19/05 refers).
2. The ICCWG action list and report can be found on the HCA19 page here: <https://iho.int/en/hca19-2024>
3. **Scheme Details:** The final scheme design is shown in the images below:

4. **Recommendation:** To ensure data consistency member states producing national products in this area are strongly encouraged to adopt the revised chart by becoming a 'printer' of the INT chart.
5. **Information Only:** The outline scheme was agreed at HCA19 and thus no decision is required.
6. **Supporting Information:** A PowerPoint slide deck documenting the rationale for the final design is available via a temporary download link provided in the accompanying email.

Best regards

Lee Truscott

IHO HCA Region M Coordinator
