Further updates on the programme and/or on logistic information will be uploaded on the HCA-19 webpage as and when it becomes available. You are kindly invited to monitor the updates on the HCA-19 webpage periodically.

# 1.3 Registration

Those who intend to participate in HCA-19 are requested to register <u>online</u>, **no later than 15 March 2024**.

Based on previous attendance of HCA Conferences, and due to meeting room limitations, the venue has been booked for a maximum of 50 delegates. HCA Members are therefore invited to consider sending no more than two representatives<sup>2</sup> per delegation unless a Member bears a specific HCA office duty<sup>3</sup>. As a consequence, those HCA Members who will not be able to participate are more than welcome to provide their written comments to the various agenda items if they so wish.

### 2. Actions from HCA-18

The Summary Report of the 18<sup>th</sup> HCA Conference is available from the IHO website. An updated version of the Actions List from HCA-18 providing the current status of the actions is also made available on the HCA-19 webpage (Doc. HCA19-05A refers).

# 3. National Reports to HCA-19

- 3.1 HCA Members are reminded that they should provide the HCA Secretary with their national reports at least one month in advance of HCA conferences. This means that national reports should reach the IHO Secretariat **not later than 15 March 2024**.
- 3.2 Format and content for national reports. As the experimentation made at HCA-14 was successful, and in order to encourage an efficient meeting and at the same time reduce the preparation workload for participants, no written national reports are required. Instead, all Member States (whether attending the meeting or not) are invited to provide their national reports as Microsoft PowerPoint® presentations using the template which will be available as Doc. HCA19-07.2A on the IHO website (https://iho.int/en/hca19-2024)
- 3.3 The template is intended to cover all the key points that should be of mutual interest to all participants at the Conference, including S-100 update for the Region.
- 3.4 National representatives are furthermore requested to ensure that they are appropriately briefed on all relevant aspects of their respective national Antarctic programmes in order

<sup>&</sup>lt;sup>2</sup> Head plus Subject Matter Expert, in particular for the technical workshop.

<sup>&</sup>lt;sup>3</sup> UK (Chair of HPWG, Region M Coordinator) and USA (HCA Vice-Chair) for instance.

to contribute actively to the HCA Hydrographic Priorities Working Group that will meet and provide recommendations as part of the Conference.

Yours sincerely,

Chathius Fur
