**To:** Members of the Hydrographic Commission

on Antarctica

**Subject:** IHO Hydrographic Commission on Antarctica 17. HPGW MSR Review & Peninsula Survey Plan. HCA17 Documents 07.2A & 07.2B

Dear Members,

1. This e-circular refers to the completion of the review of the HPWG Peninsula Survey Plan and Maritime Shipping Routes.
2. HCA 17 document 07.2B (Revised Survey Plan: Short and Long Term) has now been completed. These two documents have been combined into a single survey plan based on the information available (National Reports, survey plans, published products etc). I would welcome any feedback to be considered for inclusion in the plan for HCA18.
3. The review of the Maritime Shipping Routes as referred to in the HPWG report is also complete.
4. Both documents will be available to download from the HCA webpage in due course. In the interim the documents are included here via link <https://we.tl/t-Hpj5QqshWd>

Best Regards,

Lee Truscott

Chairman IHO HCA Survey Prioritisation Working Group
