Dear HCA Members,

WENDWG14 is due to be held the week commencing 19<sup>th</sup> February 2024, (next week, please accept my apologies regarding the timing of this e-CL).

Although this year there is no IGIF-Matrix to complete, RHCs & HCA are expected to indicate/update on S10x capabilities and coverage availability for the period 2026-2029. In line with WENDWG13 I would be grateful if you could answer the 10 short questions in a survey using this link: <https://forms.office.com/e/HA2CDREWst>

Thank you for your support and I look forward to receiving your survey responses.
