Dear HCA Members,

This e-HCA Letter 03/2022 is a follow-up on the Decision and Action HCA18/45 in reference, by which HCA agreed to prepare a submission to A-3 for the recognition of the *Southern Ocean* as the maritime area surrounding Antarctica.

In preparation of this submission, please find in attachment the 1st draft by the HCA Secretariat of an IHO Resolution, for your initial consideration.

This draft proposal is already based on several considerations: Antarctica versus Antarctic, S-130 Project Team objectives, S-23 Ed.3, 1953 Preface and Notes, national reservations on the limits as known by the HCA Secretariat, outcome of HCA-18 (see reference), etc.

Your comments/inputs would be welcome **no later than 30 September 2022**.

The full proposal to A-3 (supporting paper and a consolidated version of the proposed IHO Resolution, hopefully supported by HCA Members) will be prepared subsequently, in October-November, in order to meet A-3 deadline for submission (20 Dec 2022).

Best regards,

For Dr Mathias Jonas, Secretary-General of the IHO and HCA Chair,
Yves Guillam, as HCA Secretary
