

C-17 Update

Chapter 2 Role of the HO and MSDI

Traditional Role of the HOs

Importance of MSDI to HOs

Aspects seeking MSDI

Third party data incorporation

Traditional Role of the HOs

Importance of MSDI to HOs

Aspects seeking MSDI

Third party data incorporation

- Product orientated data consumption
- Product focussed database
- Limited output options
- Missing opportunities

Traditional Role of the HOs

Importance of MSDI to HOs

Aspects seeking MSDI

Third party data incorporation

- Acquire data once and use many times
- Backwards in the data processing chain
- Product-based approach → data-centric approach
- Combination, interoperability and derivation of geospatial solutions
- Authoritative and non-authoritative data

Traditional Role of the HOs

Importance of MSDI to HOs

Aspects seeking MSDI

Third party data incorporation

- Environmental and socio-economic aspects
- Operative aspects
- Administrative aspects

Traditional Role of the HOs

Importance of MSDI to HOs

Aspects seeking MSDI

Third party data incorporation

- Current data incorporation
- Various levels of data exchange towards the ultimate solution
