16 January 2024

**MSDIWG15 Meeting, 4 March – 8 March 2024, Bali, Indonesia**

Dear Working Group Members and Expert Contributors,

1. In accordance with the reference, the 15<sup>th</sup> meeting of the IHO Marine Spatial Data Infrastructures Working Group (MSDIWG15) will be hosted by the Indonesian Navy Hydro-Oceanographic Centre (Pushidrosal) in Bali, Indonesia from 4 March to 8 March 2024. The logistical information is available on the IHO website at <https://iho.int/en/msdiwg15-2024>
2. The agenda for MSDIWG15 is also available soon at the above web address.
3. The registration for the meeting will be done via the IHO Online Registration System, available at <https://online.iho-khoa.kr/registration>
4. The MSDIWG15 will include joint sessions with the United Nations Committee of Experts on Global Geospatial Information Management Working Group on Marine Geospatial Information and the Open Geospatial Consortium Marine Domain Working Group. Specifically, the International Seminar on United Global Information Management, themed “Effective and Integrated Marine Geospatial Information,” is scheduled for 4 March 2024. Detailed programs for both the meetings and the seminar can be found on the MSDIWG15 meeting page.
5. Please pay attention to the information provided by the hosts regarding the required documents from the logistics and any potential need for a visa to enter Indonesia. Therefore, it is advisable not to delay in organizing your trip and to address these matters well in advance.
6. I look forward to hearing from you and, hopefully, seeing you in Bali in March 2024.

Yours truly,

*Caitlin Johnson*
