

# ARHC13-B1: ARHC Strategic Gap Analysis

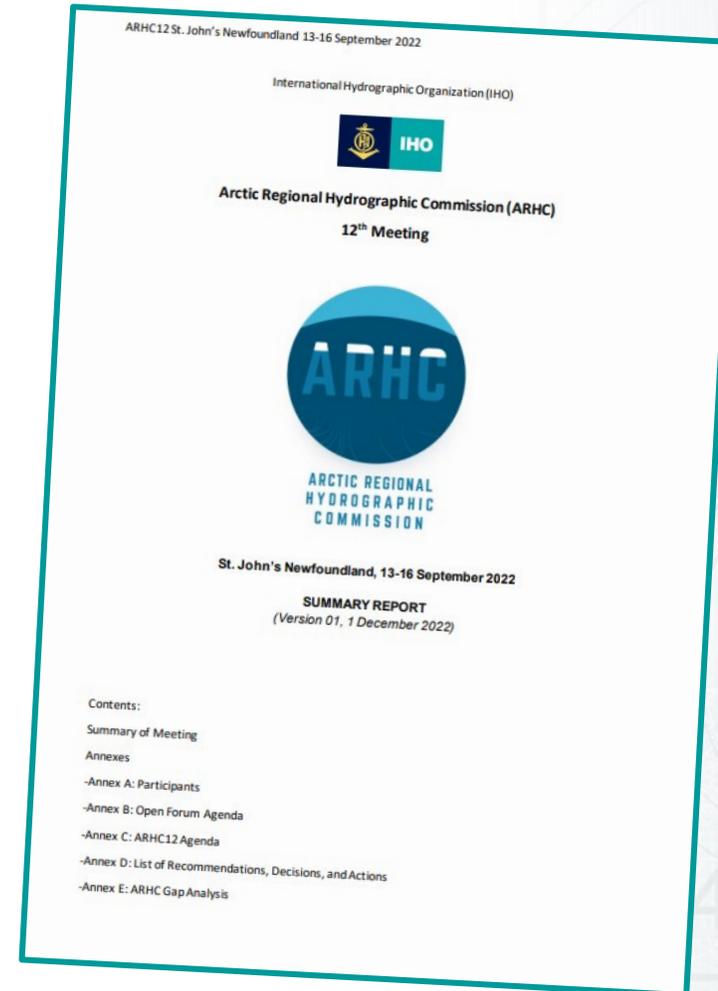

# At ARHC11 2021:

- Presentation of SWPHC Gap Analysis as an example
- ARHC agreed to set up a project team to direct the ARHC process for implementing the IHO SP including the reporting of SPIs.  
*CA to chair. USA, DK, and NO have agreed to participate.*

# At ARHC12 2022:

- Presentation of ARHC Gap Analysis
- Summary Report ARHC12:  
It is the intent of ARHC to carry out a SP gap analysis on an annual basis.
- However, no action was formulated accordingly.
- **SP project team has changed?**

# SP Gap Analysis 2022

- Highlights a number of goals, such as to come towards a common definition of ‘**navigationally significant**’, and towards a common definition of ‘**adequacy**’ for SPI 2.2.1.
- But also goals, such as the creation of a web presence, and a further engagement with PAME following the joint MoU

# How to proceed from here? / Relevance of continued Gap Analysis?

- A3 decision: A3 approved that Goal 1 of the IHO Strategic Plan and its targets shall have the highest priority in the implementation of the 2024–2026 Work Programme
- Set up a new/revised project team to address the open actions of the SP Gap Analysis of 2022 with focus on actions/task raised in ARHC Gap Analysis (Goal 1)?

# Proposed actions and decisions

- ARHC is invited to note the briefing of the ARHC Strategic Gap Analysis
- ARHC is invited to consider the necessity of an ARHC project team dealing with an ARHC SP Gap Analysis with focus on IHO SP Goal 1
