# Renforcement des capacités / *Capacity building*

---

- Des actions de sensibilisation pour la mise en place une organisation efficace et pérenne de collecte et de diffusion des RSM, ainsi que des actions de formation des opérateurs sont nécessaires dans la quasi-totalité des Etats côtiers d'Afrique de l'Ouest et du Centre.
- *Awareness-raising actions for decision-makers in order to set up an efficient and sustainable organisation for the collection and dissemination of MSI, as well as training actions for operators are necessary in almost all Western and Central African coastal states.*
