MACHC-Letter 01/2020

February 28, 2020

All MACHC Member States and Observers

Subject/Reference: MACHC20 Minutes, Actions, and Decisions

Dear Colleagues,

Since we last met at the MACHC20 in beautiful Santo Domingo, Dominican Republic, I trust that all participants had a safe return home, a peaceful holiday season and an excellent start to this New Year. I once again thank our gracious hosts, the Naval Hydrographic Service of the Dominican Republic (SHARD), for arranging the outstanding facilities and their tremendous assistance throughout the Conference which we will never forget.

As we get back to our routine activities, I am pleased to provide the draft minutes of the meeting for your review and comments. Attached are:

- Draft Minutes of MACHC20
- Annex A-MACHC20 Action List
- Annex B-MACHC20 List of Decisions

Please review these documents and provide any corrections (preferably in track changes, if possible) back to me at MACHC.Chair@noaa.gov and Erich.Frey@noaa.gov by March 31, 2020. I look forward to hearing from you.

Sincerely,

Kathryn L. Ries
Deputy Director, Office of Coast Survey, U.S. National Oceanic and Atmospheric Administration
Chair, MesoAmerican and Caribbean Sea Hydrographic Commission
