

MACHC-Letter 06/2020

August 31, 2020

To: All MACHC Members

**Subject: Draft MACHC Report to IRCC-12 for review**

Dear Colleagues,

As MACHC Chair, I will be representing our Commission at the upcoming IHO Inter-Regional Coordination Committee (IRCC) -12 meeting from October 6-7, 2020. One of my responsibilities is to provide the MACHC report to the IRCC. In preparation for the IRCC meeting, a draft MACHC Report has been developed and is attached.

I would be very grateful if you would review the draft report and provide any comments or additional information on MACHC activities you deem important and/or of significant interest to the IRCC. This provides an excellent opportunity for MACHC Members to demonstrate the achievements of our Commission, and our challenges, in progressing the goals of the IHO in our region.

In order to collate all your comments into this report, I would appreciate a response by September 14, 2020. Please send your response to [MACHC.Chair@noaa.gov](mailto:MACHC.Chair@noaa.gov) and do not hesitate to contact me with any questions or concerns. I look forward to hearing from you.

Sincerely,

A handwritten signature in cursive script that reads 'Kathryn L. Ries'.

Kathryn L. Ries  
Chair, MesoAmerican and Caribbean Sea Hydrographic Commission  
Deputy Director, Office of Coast Survey, U.S. National Oceanic and Atmospheric Administration
