MACHC-Letter 01/2021

February 2, 2021

All MACHC Member States and Observers

Subject/Reference: MACHC21 Minutes, Actions, and Decisions

Dear Colleagues,

Since we last met for the virtual MACHC21 Conference hosted by the United States, I trust that all participants had a safe and peaceful holiday season and an excellent start to this New Year. I once again thank all the participants for contributing to a challenging, but nevertheless, a very successful MACHC21 Conference.

I am pleased to provide the draft minutes of the meeting for your review and comments. Attached are:

- [Draft Minutes of MACHC21](#)
- [MACHC21 Action List](#)
- [MACHC21 List of Decisions](#)

I appreciate your review of these documents. Please provide any corrections (preferably in track changes, if possible) back to me at MACHC.Chair@noaa.gov and Erich.Frey@noaa.gov by February 19, 2021. I look forward to hearing from you.

Take good care and stay safe.

Sincerely,

Kathryn L. Ries
Deputy Director, Office of Coast Survey, U.S. National Oceanic and Atmospheric Administration
Chair, MesoAmerican and Caribbean Sea Hydrographic Commission
