MACHC Letter 7/2022

To: MACHC Members

Subject: **Draft MACHC Report to IRCC for review**

References: [MACHC Letter 19/2021](#)

Dear MACHC Colleagues,

As the MACHC Chair, I will be representing our Commission at the upcoming 14th Meeting of the IHO Inter-Regional Coordination Committee (IRCC-14) from June 6-8, 2022. One of my responsibilities is to provide the MACHC Report to the IRCC. In preparation for this meeting, a draft MACHC Report has been developed and is attached.

I would be very grateful if you would review the draft Report and provide any comments or additional information on MACHC activities you deem important and/or of significant interest to the IRCC. This provides an excellent opportunity for MACHC Members to demonstrate the achievements of our Commission, and our challenges, in progressing the goals of the IHO in our Region.

Additionally, on the view of the [2nd IRCC Workshop on the Strategic Plan](#) on April 28, 2022, I would be grateful if you could send your comments and updates regarding the procedures for measuring the Strategic Performance Indicators (SPI) allocated to RIICs (refer to Actions 5 and 6 from IRCC-13).

In order to collate your comments into this Report, I would appreciate a response by May 13, 2022. Please send your response to machc.chair@marinha.mil.br with a copy to obino@marinha.mil.br; do not hesitate to contact me with any questions or concerns. I look forward to hearing from you. Thank you.

Sincerely,

Renato Garcia Arruda
Vice Admiral
Director of Hydrography and Navigation, Brazil
Chair, Meso American - Caribbean Sea Hydrographic Commission
