Subject: **Invitation to the 23rd Conference of the MACHC**

Dear Ingenieur general Laurent Kerleguer,

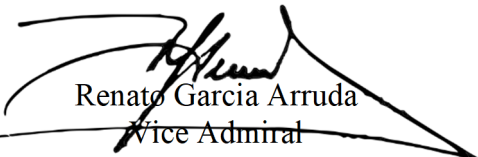

On behalf of the Meso American - Caribbean Sea Hydrographic Commission (MACHC), it is my pleasure to invite the Eastern Atlantic Hydrographic Commission to nominate a representative to attend the 23rd Conference of the MACHC (MACHC23) this year as observer should your Regional Hydrographic Commission have any interest.

The official opening of the MACHC23 Conference will begin after lunch on Tuesday, November 29, and end by noon on Friday, December 2. The venue will be in Saint Louis, Missouri, United States at the National Geospatial-Intelligence Agency's [Moonshot Labs](#) facility.

We will soon be sharing with you the registration, accommodation and logistics information and the Provisional Agenda.

This would certainly be a good opportunity for interaction between our Regional Hydrographic Commissions.

Sincerely,

Renato Garcia Arruda
Vice Admiral
Director of Hydrography and Navigation, Brazil
Chair, Meso American - Caribbean Sea Hydrographic Commission
