Subject: **MACHC25 - THANK YOU FOR YOUR SUPPORT**

Dear Esteemed MACHC Friends,

On behalf of the Meso-American & Caribbean Sea Hydrographic Commission (MACHC) Full and Associate Members, once again I would like to extend our sincerest gratitude for your participation in the recent MACHC Conference in Panama. As I mentioned when closing this year's meeting, your presence and active contributions added immense value to our discussions and, as always, remain key in advancing our shared goals within the hydrographic community. This was particularly so this year with such a strong attendance in person from the Nations.

We are especially thankful for your generous support in sponsoring both the visit to the Panama Canal Visitor Centre and the dinner on Wednesday, December 4. These events not only enhanced the overall Conference experience but also provided invaluable opportunities for connection and collaboration among attendees. A little later than I had hoped, but your Invoice, together with Payment Instructions, are now attached for action as necessary.

Thank you, once again, for your dedication to our regional hydrographic efforts and generosity. We look forward to continuing our collaboration and advancing our mission together in the coming years and I hope you will provide similar levels of support to our colleagues from Suriname as they take on the role of Chair today.

Kind regards,

Rear Admiral Angus Essenhigh OBE
MACHC Chair
