Subject: **Request to Review and Update Disaster Response Points of Contact**

Dear MACHC Friends,

As we approach the Caribbean hurricane season, I kindly invite all MACHC Members and Associate Members to take a moment to review and, if needed, update your Disaster Response National Points of Contact listed on the MACHC website:

<https://www.iho-machc.org/dr.html>

Having the most accurate and up-to-date contact information is vital to ensure fast and effective communication during any potential disaster events in our region.

If your contact details need updating, or if you have any questions or suggestions regarding the list, please don't hesitate to share the revised information or reach out directly to:

Mr. Julio Castillo (julio.castillo@noaa.gov).

Thank you for your cooperation and continued support in strengthening regional coordination and preparedness.

With highest consideration and respect,

Yours Sincerely,

Ms. Bernice Mahabier
Chair Meso-American and Caribbean Sea Hydrographic Commission
