**Invitation to
Workshop on MSI Development & Implementation**

20 December 2023

Dear MBSHC Members,

We would like to invite your organisation to participate in the **Workshop on MSI Development & Implementation** (IHO Adopted 2023 CBWP, P-06), which will be taking place over three days, from **Tuesday 07 to Thursday 09 May 2024** in **İstanbul, Türkiye**.

IHO CB Fund will pay for one trainee from each organisation to attend the workshop. This will include:

- Flight costs
- Accommodation for up to four nights
- Breakfast
- Workshop costs

All travel and accommodation information (**Logistics Pack**) will be provided later. **Submission Form and Candidate Application Form** need to be completed and returned to snart@shodb.gov.tr and mbshc.cb.coordinator@gmail.com as soon as possible but not later than **01 February 2024**.

In accordance with submissions, **Bulgaria, Romania, Ukraine, Georgia, Lebanon, Malta, Türkiye, Montenegro, Albania, Spain, Italy** are the countries involved for this workshop.

If your office is unable to attend, please send an email to snart@shodb.gov.tr and mbshc.cb.coordinator@gmail.com at the earliest opportunity for further coordination with the other MBSHC member states.

Kind regards,
Burak INAN
MBSHC CB Coordinator

Capacity Building Needs for 2025 in MBSHC Region

* We made a survey to MBSHC Region at the beginning of 2024 in order to determine the needs for 2025. With respect to that questionnaire & the evaluations/analyses, **CBWP2025 for MBSHC Region** is shown below.

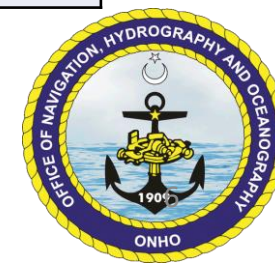

Course	Phase of the training	Suggested Source for the Budget	Notes
MSDI and Database Management	Phase 1	IMO	-
Hydrographic Survey with Unmanned Survey Vessels	Phase 2	IHO	-
Introduction to S100 and S1xx Products	Phase 3	IHO	-
S100 Migration Planning	Phase 3	IHO/IC-ENC	-
Data Conversion, Validation and Release of S-100 Products.	Phase 3	IHO/IC-ENC	-
S57-S101 Conversion Training	Phase 3	IHO/IC-ENC	-
S102, S104 & S111 Training	Phase 3	IHO/IC-ENC	-
5 non-RENC Nations annually with up to 5 users each (suggestion by IHO CB Coordinator: one Member State per Region per year)	Phase 3	PRIMAR	For MBSHC; -Bulgaria has interest in such special training regarding S-100 and S-101. -Lebanon would like to take part in PRIMAR's training portal, for additional training on and gaining more experience in the S-100 production.
