

MEDITERRANEAN AND BLACK SEAS HYDROGRAPHIC COMMISSION

September 21, 2021

MBSHC CIRCULAR LETTER No 08/2021

Subject: Nomination of MBSHC Vice-Chair.
Ref.: MBSHC Circular Letter No 07/21.

Dear colleagues,

During the 22nd Conference of the MBSHC, it was decided that Spain would continue as Chair of the MBSHC until the next meeting (MBSHC23), and Croatia, provided their current Director was confirmed in her post in mid-August, would be able to present their candidature as Vice-Chair.

MBSHC Circular Letter No 07/2021 reported that the Republic of Croatia had informed the IHO Secretariat and the MBSHC Chair that Croatia would be able to take over the role of Vice-Chair of the Commission, if there were no other candidate. A selection process for the Vice-Chair was opened and there was a call for applications from candidates until September 13th. No other candidatures were submitted during this period, and consequently Croatia now officially takes over the role of Vice-Chair of the MBSHC.

The Chair wishes to welcome the Director of the Hydrographic Institute of the Republic of Croatia, Ms. Vinka Kolić, who will undoubtedly perform the role with full success.

As ever, we look forward to being able to hold MBSHC-23 in Slovenia as a face to face event in 2022 provided we all remain safe.

MBSHC Chairman
Director of Instituto Hidrográfico de la Marina
Captain José Daniel González-Aller Lacalle
