MBSCH CIRCULAR LETTER No 14/2024

Subject: Proposal by Egyptian Navy Hydrographic Department (ENHD)

Reference: a) MSDI Ambassador Report at MBSHC-24

b) Action MBSHC24/11

Dear colleagues,

The Egyptian Navy Hydrographic Department (ENHD) implemented a questionnaire for IHO MSDIWG Regional Report in order to build a stronger future for hydrosatial data, enabling informed decision making, enhancing resource management and fostering efficient maritime activities.

The survey focuses on:

- governance structures;
- data management practices;
- policy frameworks;
- standards related to the best practices of MSDI implementation.

In accordance with Reference b), we kindly invite every member of MBSHC to complete the questionnaire for IHO MSDIWG Regional Report (<https://www.surveymonkey.com/r/EG-NMSDI>) before the **30th of September 2024**.

Sincerely and very respectfully,

Captain (N) Lucian GRIGORESCU

MBSHC Chair

Chief of the Maritime Hydrographic Directorate of Romania.
