REGION F ICCWG CIRCULAR LETTER No 03/2023

Dear Colleagues,

we would like to draw your attention on Lebanon proposal which is complementary to F ICCWG CL 03/2022 and MBSHC CL 04/2023. Lebanon with the attached file is proposing its Paper Charts to be adopted as INT charts, and provide their PCs with INT numbers as detailed in S-11 section 100 paragraph 3.8.3.

According to Lebanon "This request falls in line with the signed transition plan between the LNHS and SHOM, as SHOM will request to withdraw their INT charts from the area concerned." Additionally an attached letter from SHOM which is also circulated to you argues on the matter of SHOM's request to withdraw their INT charts.

We invite members of the Region F ICCWG to provide their feedback on the review of the attached scheme, which is required by S-11 Section 100 paragraph 3.9.1, by June 23rd, 2023.
