Subject: UKHO Gridding Proposal

REGION F ICCWG CIRCULAR LETTER No 10/2024

Dear Colleagues,

Under IHO guidance (S-11) and the Rules of Procedure for the Mediterranean and Black Seas (Region F) ICCWG, Item 3.7, the UKHO is submitting its proposals for circulation, review and comment by Members of the Region F ICCWG. As part of this gridding process, UKHO intends to both rescheme GB ENC's within existing coverage and create new coverage where no Band 2 ENC's currently exist. The intention of the proposed is new GB Band 2 ENC coverage in the Eastern Mediterranean in order to improve coverage for the Mariner south and west of Cyprus.

Please find attached files which demonstrate the proposal and provide some background to the rationale and technicalities of UKHO's gridded scheme.

If you have any questions or clarifications needed do not hesitate to contact us. We invite members of the MBSHC to provide their feedback, by June 27, 2024.
