

NIOHC Circular Letter No. 01/2022
25 January 2022

CATEGORY “B” (CAT-B) HYDROGRAPHIC COURSE IN BANGLADESH

Reference :

- A. Letter from Director Hydrography of Bangladesh Navy dated 12 January 2022
- B. IBSC List of Recognized Hydrography Programmes Updated 30 March 2021

To : **Members, Associate Members and Observers of the NIOHC**

Dear NIOHC Colleagues,

1. I am pleased to inform that Bangladesh Navy Hydrographic School (BNHS) invites participants from NIOHC Members, Associate Members and Observers to join Category B Hydrographic Course. The Course has been scheduled to be conducted from 15 May 2022 to 03 November 2022 at port of Chattogram (Chittagong), Bangladesh. As per Bangladesh government policy, few foreign students are entitled to get gratis facilities and while others may attain on payment. A general guideline for foreign participants is attached herewith.
2. I encourage you to consider this opportunity for your own development and that of the region.

Yours Sincerely,

Vice Admiral Agung Prasetiawan
Indonesian Chief Hydrographer
Chair NIOHC
