

From: **Rear Admiral Tim Lowe CBE**
UKHO Acting Chief Executive,
UK National Hydrographer
and NIOHC Chair

NIOHC Letter No. 2/2019

18th March 2019

To: Members and Associate Members of the IHO North Indian Ocean Hydrographic Commission (NIOHC)

Subject: NIOHC input to IHO Meetings

Dear NIOHC colleagues,

Following on from NIOHC Letter No. 1/2019 - NIOHC input to IHO Circular Letter 10/2019 - CBSC17 and IRCC11, I would like to draw your attention to the following Agenda items under 10 - NIOHC input to IHO meetings, to be discussed on Wednesday 27th March 2019 at the 19th Meeting of the North Indian Ocean Hydrographic Commission:

- 10.1 NIOHC Report to IRCC11
- 10.2 3rd IHO Council considerations
- 10.3 2nd IHO Assembly considerations

I would like to understand the views and observations of NIOHC Member States, and would very much appreciate your input on the IHO meetings above. I therefore request that you come prepared to enable productive discussions at the meeting, so I may take your views forward to IRCC11 as NIOHC Chair, and provide input to the 3rd IHO Council and 2nd IHO Assembly.

It is important that the views of this Commission are raised at the forthcoming IHO meetings, so I kindly encourage you to prepare your input for this meeting.

I greatly look forward to seeing you in Muscat, Oman, next week for the 19th Meeting of NIOHC, and working with you to progress the aims of the Commission.

Yours sincerely
