

INTERNATIONAL HYDROGRAPHIC ORGANIZATION  
NORTH INDIAN OCEAN HYDROGRAPHIC COMMISSION (NIOHC)

NIOHC Letter No. 06/2024

10 April 2024

To Members and Associate Members of the NIOHC

**Subject: Cancellation of NIOHC Seminar on Raising Awareness of Hydrography  
Chiang Mai, Thailand, 20 May 2024**

Dear Colleagues,

**Seminar on Raising Awareness of Hydrography**

1. The closing date for applications for funding support to attend the Seminar on Raising Awareness of Hydrography, as outlined in NIOHC Circular Letter 04/2024, has now passed with only 2 applications received.
2. With this limited number of participants, the NIOHC Chair and Capacity Building Coordinator have agreed that the seminar will be cancelled as it would not meet its objectives.
3. Although this is cancelled, I look forward to seeing all participants in person for the NIOHC23 meeting, from 21-23 May.

Yours sincerely,

Vice Admiral Komsan Klinsukon  
Director General of Hydrographic Department  
Royal Thai Navy and NIOHC Chair
