## **NSHC CIRCULAR LETTER No 01/2015**

Dear NSHC colleagues,

I'm happy to inform you that Dr Mathias Jonas at BSH completed the agreed action and launched the new NSHC website [www.nshc.pro](http://www.nshc.pro). I now invite you to submit individual information still missing under "Members" and I would be grateful for any hints of inaccuracies and gaps made under the various sub-directories.

A long-lasting update regime has yet to be decided upon. This will be an item for discussion at the next NSHC-meeting. Meanwhile the staff of BSH is willing to perform this service at a modest level. Please forward any proposed content amendments to:

[tobias.knapp@bsh.de](mailto:tobias.knapp@bsh.de) with CC to [Thomas.Dehling@bsh.de](mailto:Thomas.Dehling@bsh.de)

Our new website looks very promising. I'm sure that I speak for all in thanking BSH for their effort and excellent work.

Yours sincerely,

Captain RNLN M.C.J. (Marc) van der Donck  
Hydrographer of the Royal Netherlands Navy  
Chairman, North Sea Hydrographic Commission
