

From: Captain Khalid Al-Jabri

RSAHC Letter No.1/2022

Head of Oman National

Hydrographic Office

and RSAHC Chair

6th April 2022

**TO:** ROPME Sea Area Hydrographic Commission (RSAHC) Members, Associate Members and Observers.

**Subject:** **9th RSAHC Meeting**

Dear RSAHC Colleagues,

Greeting from RSAHC Chair Office and Ramadhan Kareem,

1. Further to RSAHC letter No. 1/2021 (**Call for Vice-Chair nomination**), unfortunately, none of RSAHC members responded to the call. Hence, **the Vice-Chair nomination** as well as the **Crowdsourced Bathymetry (CSB)** and **Seabed 2030 Coordinator** will be discussed in the next face to face meeting RSAHC9 as it is planned to be hosted here in Muscat, Oman in the last quarter of this year. Initially, based on the IHO events calendar and if Covid-19 measurements and restrictions allowed, the meeting will be from 15 to 17 November 2022 (TBC), subject to final approval from higher authority, please inform us if you have any comments/opinions regarding the planned date.

2. In preparations for the IRCC 14 meeting, which will be hosted in Bali, Indonesia, you will find the IRCC Report form attached, kindly check your delegates information provided in Annex "A" also if you have any

input to any part of the report please submit it no later than 21 April 2022 to [onho@mod.gov.om](mailto:onho@mod.gov.om).

3. In addition, referring to the IHO CL12/2022 I encourage you to participate in the IRCC 2nd workshop on the Strategic plan (VTC) on 28 April 2022, which will focus on the definition and design of the Strategic Performance Indicators (SPI) methodologies and subsequent governance and automated GIS tools to implement them.

Kind Regards,

A handwritten signature in blue ink, appearing to be in Arabic script, located below the text 'Kind Regards,'.

Captain/ Khalid Said Al Jabri

Head of Oman National Hydrographic Office & RSAHC Chair
