RSAHC10 Circular Letter

CL 01/2023

Date: 26 July 2023

Dear RSAHC Colleagues,

Greetings and well wishes from Saudi Arabian Hydrographic Directorate, General Authority for Survey and Geospatial Information (GEOSA). I would like to introduce myself as the Head of Saudi Arabian Executive Department of Hydrography and the new Chair of RSAHC.

I also would like to thank Oman for their role in chairing RSAHC9 and their continuing support and contribution to RSAHC.

As the Chair of RSAHC, it will be an honor to represent the RSAHC Member States in the IHO Council; therefore, I would like to invite RSAHC Member States to share their inputs or suggestions for common agenda item (s) in the upcoming IHO Council meeting to achieve the goals of this Commission.

In addition, I would like to take this opportunity to get your opinion about the RSAHC10 meeting's approximate date in 2024.

Please do not hesitate to contact our office with any suggestions to improve the performance of the Hydrographic work in our region.

With kind regards

Saud Hamoud Al-Ruways
RSAHC Chair
