Dear RSAHC Colleagues,

Ms. Fatma Al-Dairi will assume the role. She will be responsible for overseeing the implementation of S-100 standards within our region and will serve as the primary liaison with the WENDWG (Worldwide Electronic Navigational Chart Database Working Group).

Ms. Al-Dairi will ensure that all necessary information and updates are communicated effectively to facilitate the advancement of S-100 implementation at the regional level.

We look forward to her Contribution and the positive impact it will have on our collaborative efforts.
