Dear RSAHC Colleagues,

I am writing to invite you to nominate a dedicated individual to serve as the Crowd Source Bathymetry (CSB) Coordinator for the RSAHC region. This role is essential for ensuring the effective implementation and management of CSB initiatives by the International Hydrographic Organization (IHO) within our Region.

The coordinator will be responsible for identifying needs related to the development of plans, liaising with the IHO, and coordinating training activities such as workshops and webinars.

Please consider nominating a suitable candidate from your team for this important position.

Thank you for your attention to this matter, and I look forward to your nominations.
