Organization

KEY ACHIEVEMENTS SINCE SAIHCI9

- Data collection - UKHO has revised its risk-based prioritisation of the PCA portfolio in the region, alongside engagement with wider government funding initiatives to determine activity.
- New and revised MOUs - One revised and two new MOUs have been signed.
- Revised Products – 2 New charts, 6 New Editions, progress on UBI and 2 Gridded ENC scheme and 4 New Editions of associated publications.

IHO

TOP CHALLENGES AND /OR OBSTRUCTIONS

International
Hydrographic
Organization

- Following our roadmap to digital transformation whilst continuing to meet the ongoing needs for analogue products.
- Challenge of data collection in remote locations.

UKHO PLANS THAT AFFECT THE SAIHC REGION

- UKHO has revised its risk-based prioritisation of the PCA portfolio countries in the region, alongside engagement with wider government funding initiatives to determine activity.
- Rescheme of GB ENC's to use a consistent gridded format, in preparation for S-100.
- New products following data collection and receipt in the Seychelles/Tanzania.
