SWPHC Announcement – Appointment of Ms. Amanda Williams to SWPHC Capacity Building Coordinator Role

To: Members, Associate Members and Observers of the South West Pacific Hydrographic Commission

Dear SWPHC Colleagues

1. Mr. Matthew Borbash announced his resignation from the SWPHC Capacity Building Coordinator role at our recent SWPHC 21 meeting in Fiji. The SWPHC would like to take this opportunity to acknowledge Matt's hard work and effort in developing capacity building programs for our SWPHC community. This effort has included multiple activities in the past two years, to help us catch up following the disruption of COVID. I think you will all agree that Matt has made a real difference to our region. Thank you!.
2. I would like to take this opportunity to announce the appointment of Ms. Amanda Williams to the SWPHC Capacity Building Coordinator role. Ms. Williams is a Maritime Geographer with the United States Department of State, Office of Ocean and Polar Affairs.
3. Please join me in welcoming Amanda to this new role and thanking Matt for his efforts over the past three years.

Yours sincerely,

A handwritten signature in blue ink that reads 'HThompson'.

Hilary Thompson
Executive Director, Australian Hydrographic Office
Chair, South West Pacific Hydrographic Commission
