SWPHC Circular Letter 04/2021
3 September 2021

South West Pacific Hydrographic Commission dates to note

To: **Members, Associate Members and Observers of the SWPHC**

Reference: SWPCL CL 03/2021 dated 06 August – *South West Pacific Hydrographic Commission dates to note*

Dear SWPHC Colleagues,

1. As informed by the reference, we are unlikely to be able to meet in person for some time, however, we are being optimistic about future meetings and will continue to review the situation.
2. Please note:
 - a. the change of date for the **SWPHC19 meeting**, now **23-25 February 2022**
 - b. I encourage you to attend the IHO IRCC workshop on 7 October. The workshop will include a presentation on the SWPHC - Regional approach to addressing the Strategic Plan. The learnings from this workshop will help us develop the SWPHC 3-6yr work plan (SWPHC18 Action 18).
3. The Commission wishes to bring to your attention the following events:

22 September 2021 09:00-10:30 NZST	NOAA Extratropical Surge and Tide Operational Forecast System (ESTOFS) Online Workshop (SWPHC18 Action 30)
7 October 2021 IHO CL34-21 refers	IHO IRCC workshop on the Strategic Plan, 7 October 2021, Video teleconference (VTC) Event. <u>All IRCC Members, RHC Chairs and Vice-Chairs and IHO Member State representatives</u> are strongly encouraged to attend. Register through the IHO online registration system by 5 October 2021 .
25-29 October 2021	S-100 workshop to share experiences in implementing the S-100 Universal Data Model to meet Goal 1 of the IHO Strategic Plan (SWPHC18 Action 26)
23-25 February 2022	19 th Meeting of the South West Pacific Hydrographic Commission (SWPHC19)
2022 (TBC)	SWPHC Capacity Building Work Plan: <ul style="list-style-type: none">• Hydrographic Governance workshop• Disaster Response exercise• MSI Training

4. Please note these events in your calendar, including the **change of date for SWPHC19**.

Yours sincerely,
