SWPHC Circular Letter 03/2021
6 August 2021

South West Pacific Hydrographic Commission dates to note

To: **Members, Associate Members and Observers of the SWPHC**

Dear SWPHC Colleagues,

1. I trust this letter reaches you in good health. As you will see below, we are unlikely to be able to meet in person for some time, however, we are being optimistic about future meetings and will continue to review the situation.
2. As we pass midway through the calendar year, the Commission wishes to bring to your attention the following events:

September 2021	NOAA Extratropical Surge and Tide Operational Forecast System (ESTOFS) Workshop – SWPHC18 Action 30
September/October 2021	IHO IRCC workshop on the implementation of the IHO Strategic Plan and related SPI – IRCC13 Decision 24 (SWPHC18 Actions 18 & 26)
25-29 October 2021	S-100 workshop to share experiences in implementing the S-100 Universal Data Model to meet Goal 1 of the IHO Strategic Plan – SWPHC18 Action 26
16-18 February 2022	19th Meeting of the South West Pacific Hydrographic Commission (SWPHC19)
2022 (TBC)	SWPHC Capacity Building Work Plan: <ul style="list-style-type: none">• Hydrographic Governance workshop• Disaster Response exercise• MSI Training

3. **Please note these events and save the date for SWPHC19.** Full details, including timing, agenda and registration information, will follow.

Yours sincerely,

Adam Greenland, LINZ
New Zealand National Hydrographer
Chair, SWPHC
