Main challenges and/or obstructions

- Sea Blindness
- No qualified Hydrographer on island
- No political will

Progress on surveys, charting and MSI

- Surveys:
- Charting: Nil
- MSI: Yet to appointed – Need to be trained

Contributions to the IHO DCDB and GEBCO

- nil

Progress on MSDI

- Governance ?
- Standards ?
- Technology ?
- Data ?

Plans that affect the region

- NIL

Lessons learned to share

- NIL

Success stories to share

- NIL
