Executive summary

1. Hydrographic Office / Service:
 - a) Name of the institution: Nauru Maritime & Nauru Emergency Service
 - b) Description: N/A
 - c) Submitted by: Kemp Detenamo kemp.detenamo@gmail.com Barassi Botelanga
barassi.botelanga@gmail.com

Detailed information to update IHO Publication P-5 (*Yearbook*) is submitted in Annex A (alternatively, use the online system, reference B). Please indicate "no change" in Annex A if this is the case.

2. Surveys:
 - a) Coverage of new surveys: Nil
 - b) New technologies and /or equipment: Reviving of lighting Tower that cover up 25miles by night
 - c) New ships Nil
 - d) Crowdsourced and satellite-derived bathymetry - national policy - Nil
 - e) Challenges and achievements – Infrastructure/Legislation -

Detailed information about surveys to update IHO Publications P-5 (*Yearbook*) and C-55 (*Status of Hydrographic Surveying and Charting Worldwide*) is submitted in Annexes A and B, respectively (alternatively, use the online system, reference B). Please indicate "no change" in Annexes A and B if this is the case.

3. New charts & updates:

[Describe any significant developments since the last RHC meeting in charting related to the items below]

 - a) ENC coverage, gaps and overlaps - Nil
 - b) ENC distribution method – Nil
 - c) RNCs - Nil
 - d) INT charts - Nil
 - e) National paper charts - Nil
 - f) Other charts, e.g. for pleasure craft - Nil

- g) Challenges and achievements- No capacity – Trying to have in place biolateral with CP - UKHO

Detailed information about charting to update IHO Publications P-5 (*Yearbook*) and C-55 (*Status of Hydrographic Surveying and Charting Worldwide*) is submitted in Annexes A and B, respectively (alternatively, use the online system, reference B). Please indicate "no change" in Annexes A and B if this is the case. NO CHANGE!

4. New publications & updates:

[Describe any significant developments since the last SWPHC meeting in nautical publications related to the items below]

- a) New Publications - Nil
- b) Updated publications - Nil
- c) Means of delivery, e.g. paper, digital - Nil
- d) Challenges and achievements – Same as 3

Detailed information to update IHO Publication P-5 (*Yearbook*) is submitted in Annex A (alternatively, use the online system, reference B). Please indicate "no change" in Annex A if this is the case.

5. MSI

[Describe the status of Maritime Safety Information (MSI) related to the items below]

- a) Existing infrastructure for MSI dissemination - Nil
- b) Statistics on work of the National Coordinator - Nil
- c) New infrastructure in accordance with GMDSS Master Plan - Nil
- d) Challenges and achievements – Lack of Knowledge- Will learn more in the SWPHC 17 workshop

Detailed information about MSI to update IHO Publication C-55 (*Status of Hydrographic Surveying and Charting Worldwide*) is submitted in Annex B (alternatively, use the online system, reference B). The national self-assessment of MSI is submitted in Annex C. Please indicate "no change" in Annexes B and C if this is the case. – No Change

6. C-55

The table with the latest information to update IHO Publication C-55 (*Status of Hydrographic Surveying and Charting Worldwide*) is provided in Annex B (alternatively, use the online system, reference B). Please indicate "no change" in Annex B if this is the case. No Change

7. Capacity Building

[Describe the need for or ability to offer Capacity Building in relation to the items below]

- a) Offer of and/or demand for Capacity Building – Need capacity building
- b) Training received, needed, offered - Needed
- c) Status of national, bilateral, multilateral or regional development projects with a hydrographic component. (In progress, planned, under evaluation or study) – In progress with UKHO
- d) Description of proposals and requests to the IHO/CBSC- Nil

8. Oceanographic activities

[Describe any significant developments in oceanographic activity since the last SWPHC meeting related to the items below]

- a) General - Nil
- b) GEBCO/IBC's activities, GEBCO Seabed 2030 activities - Nil
- c) Tide gauge network
- d) New equipment
- e) Challenges and achievements

9. Spatial data infrastructures

- a) Status of MSDI
- b) Relationship with the NSDI
- c) Involvement in regional or global MSDI efforts
- d) National implementation of the Shared Data Principles – including any national data policy and impact on marine data.
- e) MSDI national portal
- f) Best practices and lessons learned
- g) Challenges and achievements

10. Innovation

- a) Use of new technologies
- b) Risk assessment
- c) Policy matters

11. Other activities

[Describe any other significant developments of interest to the SWPHC since the last meeting related to the items below]

- a) Participation in IHO meetings
- b) Meteorological data collection – Recently
- c) Geospatial studies
- d) Preparation for responses to disasters
- e) Environmental protection
- f) Engagement with the Maritime Administration
- g) Aids to Navigation matters
- h) Magnetic and gravity surveys
- i) International engagements
- j) Others

12. Conclusions

[Provide a short summary statement that highlights any of the following:

- a) Areas of significant achievement*
- b) Areas of particular concern*
- c) Any other matters of interest to the SWPHC]*

National MSI Self-Assessment

Country: Nauru
 Organization: Ministry of Port

(Please provide the information in English)

1. Maritime area 5 -10- miles

[Describe maritime area including details of the geographic boundaries]

2. Operational Points of Contact for the National Coordinator

INSTITUTION	TELEPHONE	FACSIMILE	EMAIL

3. GMDSS Master Plan

[Report on the status of the GMDSS Master Plan: Is it up to date? When was the last update?]
 Nil

[Specifics of equipment used and software version with date up-dated] Nil

Equipment Type for Ports and Local Area	Software Version	Date of Up-date

[Detail the number of warnings identified as immediate priority (requiring transmission within 30 minutes) and the average elapsed time for passing to NAVAREA coordinator, as reported to the last RHC meeting]:

Year Y-2		Year Y-1		Year Y	
Total	Average elapsed time	Total	Average elapsed time	Total	Average elapsed time
Nil	xx.x Mins	Nil	xx.x Mins	Nil	xx.x Mins

4. NAVTEX Coverage: Nil

[Diagram of NAVTEX stations and service areas within maritime area; Contact details for NAVTEX Stations; Confirm operational status has been validated.]

5. Operational Issues: Nil

[New infrastructure in accordance with GMDSS Master Plan; Problems encountered?]

6. Contingency Planning - Nil

[Provide information regarding contingency plans that have been established and future plans where appropriate. Also report on any testing of the plan that has been conducted]

7. Capacity Building Nil

[Demands for Capacity Building, Training requested or received, any offered, status of national, bilateral, multilateral or regional development projects with MSI component]

8. Other Activities Participate SWHPC meetings

[Participation in other IHO or IMO Working Groups, Regional Hydrographic Commissions, regional conferences related to MSI over past year]

9. National Maritime Website Nil

[(Address, statistics (if permitted by national legislation; how often is the information on your web site updated? Do you display the date and time of the last update on your web site?)]

10. Recommendations Nil

[If any] – Training of Staff

11. Summary

[Please provide a short summary of this paper which will be included in the final report of the meeting.]

I believe Nauru lacks the capacity and if can be allowed to attend MSI training will progress forward
