WEND-WG/Letter 3-2011 dated 16 June 2011

### Letter from WEND-WG Chair to RHC Chairs

#### **IRCC3 Action 13 – Report to the WEND-WG Chair on the implementation of each item of the WEND Principles and the validity of coverage and overlap analysis submitted by the WEND-WG**

Dear RHC Chair,

I am writing to you in my capacity as the Chair of IRCC's WEND Working Group to remind you of the draft Action Item 13 from the recent IRCC3 meeting held last month in Brazil. This action was placed on RHC chairs to report by 30 June to the WEND Working Group on the implementation of each item of the WEND principles and on the validity of coverage and overlaps.

Undoubtedly much of this detail will be to hand for many countries and I have attached a spreadsheet that our US colleagues have very kindly worked up on behalf of the community. This details the WEND criteria against a spreadsheet tab for each member (and associate member) state. I would be very grateful if you would arrange for comment against each criterion to be made for each member state and associate member state within your region. Please feel free to rename the tabs to reflect country names and also to add/delete tabs to reflect the size of your Regional Commission.

I would be grateful if you would return completed spreadsheets directly to:

with a copy to me at:

Yours sincerely,

Captain Jamie McMichael-Phillips  
WEND-WG Chairman
